

2024

We are delighted to invite you to become a cornerstone sponsor for our **Black & White Ball on October 10, 2025**, at WinMock at Kinderton—our community's premier fundraising event featuring live entertainment, dinner, and dancing.

For 13 years, Hands of Hope has served as Yadkin County's healthcare safety net, providing comprehensive medical care completely free to uninsured residents ages 18-64.

In a county where medical bills can mean choosing between groceries and prescriptions, we ensure that choice never has to be made.

The Black & White Ball is our most vital fundraising effort. This year's \$75,000 goal will directly expand outreach capabilities, bringing essential healthcare services to underserved communities where need is greatest but access remains limited.

Major sponsors (\$2,500+) receive exclusive pre-event cocktail party invitations, offering networking opportunities with community leaders committed to impactful philanthropy.

We welcome discussing how we can customize a sponsorship package aligning with your philanthropic objectives and business goals. Together, we ensure quality healthcare remains accessible to every Yadkin County resident, regardless of economic circumstances.

Thank you for your continued community support. We look forward to partnering with your organization to make our mission and the Black and White Ball a tremendous success.

Bridget Boyles, RN, MSN
Executive Director
