

LICENSE TO GIVE

2026 Hands of Hope Gala

— ♦ 7TH ANNUAL GALA ♦ —

OCTOBER 9, 2026 | WINMOCK AT KINDERTON

Dear Community Partner,

Your mission, should you choose to accept it, is to help provide compassionate healthcare to uninsured adults in Yadkin County.

We are honored to invite you to become a sponsor of the 2026 “007 License to Give” Gala benefiting Hands of Hope Medical Clinic. This elegant James Bond-inspired evening will take place on October 9, 2026, at WinMock at Kinderton and promises an unforgettable night of fine dining, entertainment, auctions, dancing, and philanthropy.

For more than 13 years, Hands of Hope Medical Clinic has served as a healthcare safety net for uninsured residents of Yadkin County between the ages of 18–64. Every patient we serve receives high-quality medical care completely free of charge—regardless of their financial circumstances.

In a community where many individuals must choose between paying for medication or meeting everyday household needs, Hands of Hope exists to ensure that no one faces those decisions alone.

The annual Gala remains our largest and most critical fundraising event of the year. Funds raised directly support patient care, chronic disease management, preventative services, behavioral health resources, and expanded outreach efforts to underserved members of our community.

As a valued sponsor, your organization will receive meaningful recognition throughout the event and marketing campaign while demonstrating a commitment to improving healthcare access locally. Major sponsors will also receive exclusive invitations to our VIP Cocktail Party prior to the Gala.

This year’s “007 License to Give” theme allows us to create a truly unique and memorable experience while continuing to focus on what matters most — changing lives through compassionate care.

We would welcome the opportunity to discuss sponsorship opportunities and customize a partnership package that aligns with your organization’s philanthropic and community engagement goals.

Together, we can ensure healthcare remains accessible for every uninsured adult in Yadkin County.

Thank you for your consideration and continued support of our mission.
We look forward to partnering with you to make the 2026 Gala
our most successful event yet.

With gratitude,

Bridget Boyles, RN, MSN
